Installation Instructions

Holden Colorado (2012+)

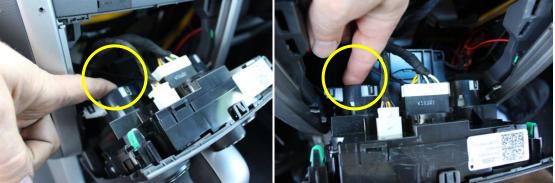

Step Instructions

1 Carefully unclip the A/C panel and tilt it forward.

2 Ensure that the plastic components at the rear of the A/C dials are not lost or damaged.

3 Locate the two screws below the radio unit and remove them. Unclip the radio panel.

4 Bring the radio panel forward and disconnect the hazard light cable.

Disconnect the radio cable and put the radio unit aside.

6 Install the left and right hand side brackets for the In-Dash Mount (three screws in each).

7 Reconnect the radio and hazard light cables to the radio panel and press back into place firmly.

Align the A/C unit and click it into place.
