

## Installation Instructions

### Mitsubishi Pajero Sport (2020+)

STEP	INSTRUCTION
------	-------------

- 1** Loosen and remove lower panels on either side. Then remove upper panels on either side.  
Remove 1 x screw as indicated.

- 2** Loosen central dash unit, remove cables and set aside.  
Remove 2 x screws on each side of the display unit.

- 3 Install large bracket around the underside of the display unit using previously removed screws.

- 4 Return cables and central dash unit to their original state.

- 5 Install lower bracket using previously removed 1 x screw. Using a sharp blade carefully shave away inner plastic from the indicated area to allow a snug fit for the bracket.

6

Return all components to the dash.

7

Install front bracket using 3 x countersunk screws provided.

Enjoy your new InDash Mount!
