

Installation Instructions

Toyota Corolla (2019+)

Step	Instructions
------	--------------

- 1** Remove plastic trimming from around the screen, then loosen and remove dash piece.

- 2** Remove and set aside air vent.

- 3** Remove 1 x screw from dash, then loosen right side of the dash as indicated.

- 4 Install metal bracket as shown. Tuck under plastic surround and outside below surround. Press metal bracket hard into position. Drill 3 x holes locations using the bracket as a template.

- 5 Install small bracket in behind, fixing into place using 3 x supplied screws. Then, replace 1 x screw.

- 6 Return all dash pieces to their original state.

7 Install front dash bracket using mounting positions underneath and on the left side.

8 Enjoy your new InDash Mount!
