

Installation Instructions

Toyota Fortuner (2016+)

Step

Instructions

1

Remove left and right side pieces as well as the upper AC cover.

2

Using a sharp blade, carefully trim 1 x tab as shown on side piece. Repeat on other side piece.

- 3 On the left side piece, remove 2 x indicated screws. Then, fix left side bracket in place.

- 4 Repeat for the right side piece.

- 5 Loosen front cover and AC control unit and carefully set aside. Remove 4 x screws as indicated.

- 6 Loosen display unit and carefully set it down. Remove 2 x indicated screws from each side.

- 7 Slide bracket into place from the underside of the display unit and fix into place using 4 x screws.

- 8 Separate upper cover from the AC controls as shown. Then, place AC controls into the dash.

- 9 Set display unit back into dash. Replace 4 x screws and plastic cover piece.

- 7 Place left and right side pieces back into position, followed by the upper AC cover.

- 8 Install front bracket using 4 x mounting locations.

Enjoy your new InDash Mount!
